Wonder

Generalise – Extended abstract

What does it make you wonder?
[Implications/predictions]

What does it make you wonder?
[Implications/predictions]

Why is it a health issue?

[because – so that]
(Add evidence)

What is the issue?

What are the major determinants?

Why do you think it is like that?

[because – so that]
(Add evidence)

Analyse a NZ health issue - medication impaired driving

Why do you think it is like that?

[because – so that]
(Add evidence)

What are the implications/consequences from a P/IP/S perspective?

What are the strategies you could use?

Why do you think it is like that?

[because – so that]
(Add evidence)

What does it make you wonder?
[Implications/predictions]

Overall what do you think it was about?
Overall I think [claim – reason – evidence]

What does it make you wonder?
[Implications/predictions/ recommendations]
