

Bus Safety for Students

It's important that children are safe around buses

BUS SAFETY GUIDELINES

REMINDER FOR CHILDREN

- Get off the bus being respectful to other passengers without pushing.
- **WAIT** well back from the road until the bus has moved away.
- Never walk out in front or behind a bus.
- If you need to cross the road, wait on the side of the road until the bus has moved away, so you can see clearly up and down the road.
- Always look for a safe place to cross the road.
- Electric buses are very quiet. Always keep your eyes out for electric buses.

REMINDER FOR PARENTS AND CAREGIVERS

- The speed limit when passing a stationary school bus is 20 km per hour, either side of the road.
- Always drop off and pick up children on the same side of the road as the bus.
- Ensure your children get out of the car on the kerb side.
- Teach your children to **stop, look and listen** when crossing the road.
