

How does transport affect our lives?

Choose a challenge to explore further.

Think about how this challenge connects to others on the map.

Think about who is advantaged, who is disadvantaged, who is unaffected by the challenge.

Find out what different people in your community are saying about the challenge.

How can we fix it?

What are the possible solutions to the "wicked problem"?

What are the "contradictory certitudes"?

What are the "clumsy solutions"?
