

Walking safely to school

1. Colour the footpath green.
2. Draw a path from home to school using a line.
3. Circle the safe things you see on the way to school.
4. Draw an X on the things you need to be careful of.

What safe things did you see on the way to school?

What things did you see that you need to be careful of on the way to school?

Kia tūpato!
How do we
walk safely to
school?

Always
hold an adult's
hand when you
are crossing
the road.

Stop, look,
and listen
before you
cross a
road.

Use a
pedestrian
crossing or a
crossing with
lights where
possible.
