

Exploring road signs

1. Colour in each road sign according to its meaning:

Stop sign

Red and white

Pedestrian crossing

Yellow and black

Traffic light

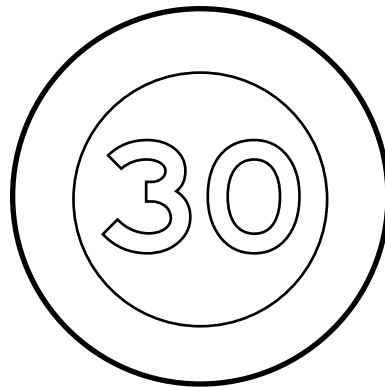

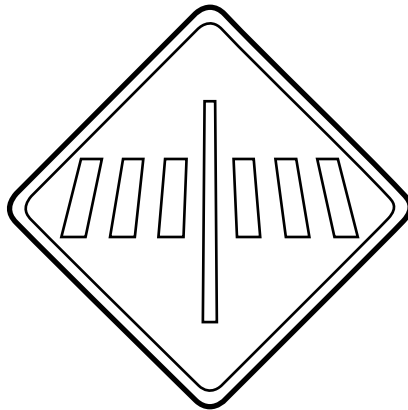

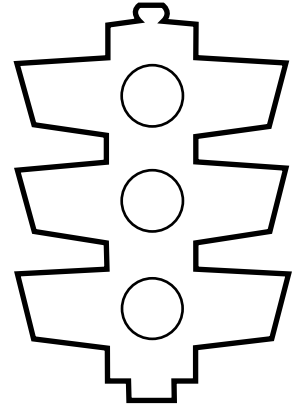

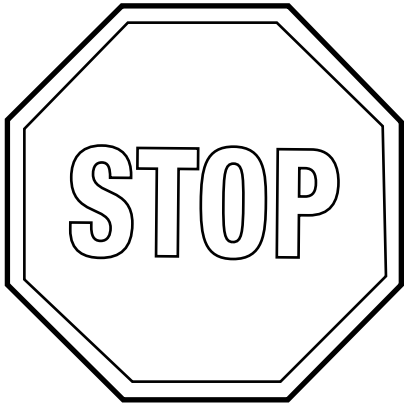

Red, yellow, and green

School crossing

Red and white

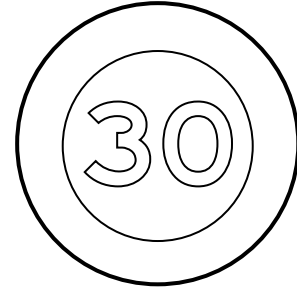

Speed limit

Red, white and black

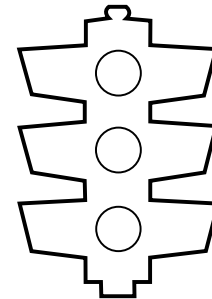

2. Draw lines to match the road signs and signals to their descriptions.

This sign tells drivers to come to a complete stop.

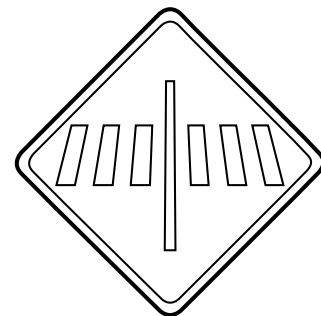

This sign marks a place where pedestrians can safely cross the road.

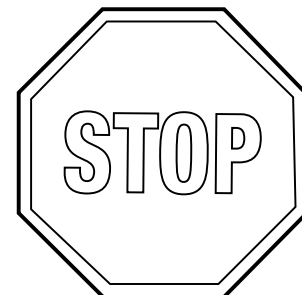

This signals to drivers when to stop, go, or slow down.

This sign marks where children might cross the road, usually near a school.

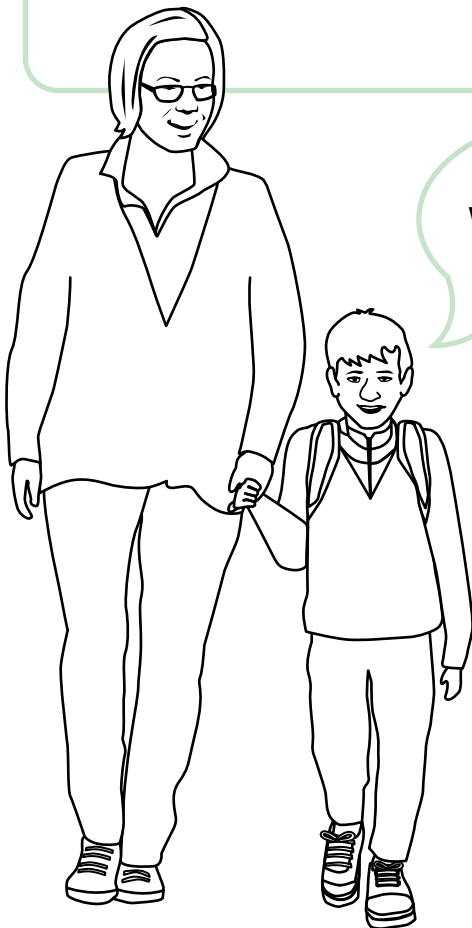

This sign shows the maximum speed allowed on the road.
