

Travel safety – investigation

1. Travel observation journal

Over the course of a week, observe and record safe and unsafe travel behaviours and environments in the community. You can focus on walking, cycling, or using public transport. Be specific in your observations, noting details such as location, time of day, and types of behaviours observed. Record your findings in the table below:

<p>What mode of travel you are observing:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Monday</p> <p>Time: _____</p> <p>Location: _____</p> <p>Travel behaviour observed:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>Was it safe or unsafe?</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Tuesday</p> <p>Time: _____</p> <p>Location: _____</p> <p>Travel behaviour observed:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>Was it safe or unsafe?</p> <p>_____</p> <p>_____</p> <p>_____</p>
<p>Wednesday</p> <p>Time: _____</p> <p>Location: _____</p> <p>Travel behaviour observed:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>Was it safe or unsafe?</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Thursday</p> <p>Time: _____</p> <p>Location: _____</p> <p>Travel behaviour observed:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>Was it safe or unsafe?</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Friday</p> <p>Time: _____</p> <p>Location: _____</p> <p>Travel behaviour observed:</p> <p>_____</p> <p>_____</p> <p>_____</p> <p>Was it safe or unsafe?</p> <p>_____</p> <p>_____</p> <p>_____</p>

2. Reviewing your findings

After a week, share your observations with your peers and identify patterns or common factors contributing to safe or unsafe travel behaviours in your community.

What were the top three safe travel behaviours observed?

- 1.
- 2.
- 3.

What were the top three unsafe travel behaviours observed?

- 1.
- 2.
- 3.

3. Safe travel solutions brainstorm

In the space below, brainstorm solutions about how you can positively influence safe travel behaviours.
